COVID-19 and the RMC Camps:

Notice to visitors March 13, 2020

Please do not plan to visit or stay overnight at Crag Camp, Gray Knob, the Log Cabin or the Perch, until further notice. The Randolph Mountain Club, in conjunction with the Forest Service, has reviewed the Interim Guidance issued by the Centers for Disease Control and Prevention (CDC) and believes that in the interest of public health we should aim to minimize contact and closeness between people at our four camps. These facilities have no heating or running water, and the handwashing and sanitizing recommended for public accommodations by the CDC cannot be accomplished.

Thank you for your cooperation and we look forward to your future visit.

Jamie Maddock, President
